Will open correspondence

with Mr. Shear as requested. I do not know

when the matter can open at Delaware but

suppose it is some afternoon 1st

Have arranged for you to give reading

before the West End Club in Toledo on

Wednesday evening Dec. 19th. The

Club is in a larger hall than when you

were here before and the evening should be of

profit. Will try to make engagements

for you at two or three other places for the

20th and 21st. You should arrange to

spend two or three days here & bring a

number of your books with you.

If the publishers would build a few in
 a neat white & gold binding then they
 would sell at this time of year. You
 should bring full dress suit with you.
 Let me know at once if you can not come.
 If you can get the Y. M. C. A. to help you it
 might be well to stop at Toledo for Tuesday
 evening the 18th. I have friends there
 who would assist.

Very truly yours,

C. A. Tratcher
